## Course Description

<b>University:</b> Matej Bel University in Banská Bystrica	
<b>Faculty:</b> Faculty of Arts	
<b>Code:</b> 2d-lsl3-03	<b>Course name:</b> Literature and Service Learning 3
<b>Type, extent and method of instruction:</b> <b>Form of instruction:</b> Lecture / Seminar <b>Course type:</b> C (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) <b>Recommended number of periods:</b> 0 / 26 <b>Method of study:</b> combined	
<b>Number of credits:</b> 3	
<b>Recommended semester/trimester:</b> 1., 3.	
<b>Level:</b> II.	
<b>Prerequisites:</b>	
<b>Course completion conditions:</b> The student undergoes theoretical preparation to understand the point of service learning as a strategy and develops the selected competences (team work, planning, promotion, evaluation). They actively participate in the identification of community needs and presents the findings. Based on this, the student describes the default situation in which the service learning activity will take place and consults it with the instructor. Subsequently, the student drafts their service learning project (default situation, service goals, educational goals, schedule, information of partners, promotion, funding, evaluation methods). The project draft is, again, consulted with the instructor. The student selects the target group and project goals in accordance with their study field and focuses on developing their own text-work competences as well. This course builds on the Literature and Service learning 1 course and enhances the theoretical knowledge of service learning.	
<b>a) continuous assessment:</b> (10) Active participation in block classes (3 blocks) (10) Consultations (10) Flexibility and appropriate communication (20) Identification of the needs and formulation of the goals (20) Quality of the project draft (the plan form)	
<b>b) final assessment:</b> Based on the continuous assessment (70%), self-assessment (15%), group assessment (15%). The grading scale: A (100–94%), B (93–87%), C (86–80%), D (79–73%), E (72–65%). To collect the credits, the student has to score at least 65% in each activity (or at least 65% in total).	
<b>Learning objectives:</b> Upon completion of this course, the student <ol style="list-style-type: none"> <li>1. can explain the point of service learning</li> <li>2. can work in a team and communicate in an appropriate way</li> <li>3. can analyse their own needs as well as the needs of the community</li> <li>4. can formulate the service learning goals based on these needs</li> <li>5. can prepare a service learning project addressing actual needs and achieve the goals specified</li> <li>6. understands the importance of personal and social responsibility and civic engagement</li> </ol>	

**Brief outline of the course:**

1. The point of service learning.
2. Team work and communication competence development.
3. Identifying the community needs.
4. How to determine the service and educational goals.
5. Planning as a competence – importance, steps.
6. Time management – importance and principles.
7. Promotion before and after the activity takes place.
8. How to evaluate the activities.
9. Service learning project draft.
10. Service learning project draft – evaluation.

<b>Brief outline of the course:</b> The tutor cooperates with the department ECTS coordinators in consulting and providing information on study issues to students in accordance with the study rules and valid legislation.	

They self-study the study regulations. In cooperation with the study advisor, they arrange meetings with new students at the beginning of the academic year. They inform the new students about life at the university, their rights and responsibilities, and explain the principles of credit study. They advise students on the selection of courses and creation of study plans in AiS2. They share their own experience with the selection and acquisition of study literature, studying for exams, individual study possibilities, scholarships, and participating in student organisations. They identify, analyse, and evaluate the tutored students' needs (e.g. via an online survey). In cooperation with the department study advisor and other student tutors, they prepare informational presentations and discussions, and promotes them. They inform other students on important dates in the academic schedule. They collect complaints and ideas, evaluate, and communicate them to the responsible staff. They communicate via an appropriate social media platform as well.

## Course Description

<b>University:</b> Matej Bel University in Banská Bystrica	
<b>Faculty:</b> Faculty of Arts	
<b>Code:</b> 2d-vdsl-02	<b>Course name:</b> The Great Works in World Literature II
<b>Type, extent and method of instruction:</b> <b>Form of instruction:</b> Lecture <b>Course type:</b> C (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) <b>Recommended number of periods:</b> 26 <b>Method of study:</b> combined	
<b>Number of credits:</b> 3	
<b>Recommended semester/trimester:</b> 2., 4.	
<b>Level:</b> II.	
<b>Prerequisites:</b>	
<b>Course completion conditions:</b> The student prepares an essay in which he/she takes a position on the issue discussed. The final assessment is passed/failed.	
<b>Learning objectives:</b> 1. The student will obtain an adequate overview of the origin and functioning of selected representative literary works from several civilizational and cultural areas from medieval literature to contemporary literature; will improve in professional terminology. 2. The student will acquire the specific interpretation skills necessary when working with a literary text anchored in a radically different cultural environment, thereby strengthening tolerance towards cultural differences and the will to respect the right to be different. 3. The student is able to conduct research on the assigned topic, can identify reliable sources, select relevant information from them and present it to others in a clear and useful form. 4. The student will acquire an organized sum of knowledge and a more widely applicable set of useful habits, methods, approaches, competences applicable in the interpretation of literary and non-literary texts or other cultural phenomena from various cultural periods.	
<b>Brief outline of the course:</b> Some of the greatest works of the European literature from the Middle Ages to the present day will be presented. It will be a selective selection of the presentation of literary worlds and the values they created. The Divine Comedy as the main work of the Middle Ages or the Renaissance? The Middle Ages as the "cradle" of European culture and education. Testaments enfant terrible. The spiciness of the Decameron and Laura's ephemerality. From Shakespeare to French classical drama. Playwrights and their (non)dramatic characters. Fairy tales that changed the world. Shock the bourgeois! Avant-gardes in world art. Literature as a place for women. On Freedom, Being and Apricot Cocktails: Existentialism in World Literature. Crazy for Life: The Beat Generation and Their Followers. Great works in small publishers.
