Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Natural Sciences	
Code: 2d-fju-006	Course name: Intensive Teaching Practice - French
Type, extent and method of instruction: Form of instruction: Course type: A (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: Method of study: combined	
Number of credits: 2	
Recommended semester/trimester: 4.	
Level: II.	
Prerequisites:	
Course completion conditions: Continuous assessment consists of active participation in continuous practice and recording. The final assessment consists of a portfolio of materials from pedagogical practice: in writing processed records from the didactic audio recordings of lessons - audio recordings of a trainee teacher/teachers. Part of the final evaluation are written preparations for direct teaching activity, including didactic analysis of the curriculum, self-assessment of the pedagogical practice/continuous (including proposals and recommendations), written assessment of individual learners of lessons by the trainee teacher (we recommend an evaluation sheet in which the trainee teacher expresses himself/herself in structured items for individual items and the overall final assessment of the student on continuous practice (min. 65 points, max. 100 points). The point evaluation for individual components is determined by the approval subjects. Each student chooses a practice school, where he completes 15 hours of practice during the semester, out of one hour of observing a teacher's lesson and 14 hours of own output. The student prepares his lessons in cooperation with the practice teacher (60%). After the end of the semester, he submits a completed file with his own preparations, a written evaluation of the trainee teacher's practice and own written evaluation (40%). The student has the right to one correction deadline for submitting the file. The assessment is carried out according to the classification scale: A (100 - 94 %), B (93 - 87 %), C (86 -80%), D (79-73%), E (72-65%). Credits will be awarded to a student who has obtained at least 65% for fulfilling the specified conditions. The requirements and recommended literature are updated annually in the course syllabi. a) continuous assessment: lesson observation and teaching outputs (60%) b) final evaluation: filling out the file The student has the right to one correction deadline for submitting the file.	
Learning objectives: The student 1. integrates many practical experiences gained during previous forms of practice with new conditions and contexts that he was not familiar with until now.	

2. has the opportunity to comprehensively view the work of teachers with students at different types of schools.
3. learns the activities of the teacher in a comprehensive way, learns and gradually knows how to solve specific educational problems or situations that arise during and outside of teaching.
4. acquires activities and performs tasks that are close to the requirements of a real teaching job, including his extracurricular activities.
5. will use relevant professional literature to gain knowledge in the given field
6. writes notes
7. observes interactions in the classroom between the teacher and students and between students
8. observes the teacher's pedagogical approaches and interprets them based on his theoretical knowledge from didactics
9. observes the students' learning process and the students' reactions to the teacher's stimuli and their own stimuli
10. critically analyzes his own outputs
11. cooperates with a trainee teacher
12. prepares preparations for lessons and adjusts them after his own analysis and notes of the training teacher
13. applies theoretical knowledge from didactics into practice

Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Natural Sciences	
Code: 2d-vdsl-02	Course name: The Great Works in World Literature II
Type, extent and method of instruction: Form of instruction: Lecture Course type: C (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: 26 Method of study: combined	
Number of credits: 3	
Recommended semester/trimester: 2., 4.	
Level: II.	
Prerequisites:	
Course completion conditions: The student prepares an essay in which he/she takes a position on the issue discussed. The final assessment is passed/failed.	
Learning objectives: 1. The student will obtain an adequate overview of the origin and functioning of selected representative literary works from several civilizational and cultural areas from medieval literature to contemporary literature; will improve in professional terminology. 2. The student will acquire the specific interpretation skills necessary when working with a literary text anchored in a radically different cultural environment, thereby strengthening tolerance towards cultural differences and the will to respect the right to be different. 3. The student is able to conduct research on the assigned topic, can identify reliable sources, select relevant information from them and present it to others in a clear and useful form. 4. The student will acquire an organized sum of knowledge and a more widely applicable set of useful habits, methods, approaches, competences applicable in the interpretation of literary and non-literary texts or other cultural phenomena from various cultural periods.	
Brief outline of the course: Some of the greatest works of the European literature from the Middle Ages to the present day will be presented. It will be a selective selection of the presentation of literary worlds and the values they created. The Divine Comedy as the main work of the Middle Ages or the Renaissance? The Middle Ages as the "cradle" of European culture and education. Testaments enfant terrible. The spiciness of the Decameron and Laura's ephemerality. From Shakespeare to French classical drama. Playwrights and their (non)dramatic characters. Fairy tales that changed the world. Shock the bourgeois! Avant-gardes in world art. Literature as a place for women. On Freedom, Being and Apricot Cocktails: Existentialism in World Literature. Crazy for Life: The Beat Generation and Their Followers. Great works in small publishers.
