Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 2d-HEB4-613	Course name: Advanced Hebrew Reading Skills
Type, extent and method of instruction: Form of instruction: Practical / Seminar Course type: C (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: 13 / 26 Method of study: combined	
Number of credits: 3	
Recommended semester/trimester:	
Level: II.	
Prerequisites:	
Course completion conditions: Biblical Hebrew 3 a) continuous assessment: Graded assignments: Weekly work in the biblical text at home and during class time 30 points (26 points minimum), weekly quizzes 30 points (20 points minimum), and the presentation of a selected Hebrew text 40 points (26 points minimum). Hebrew exercises from the class notes completed home and in class 20 points (minimum of 18), weekly quizzes 80 points (minimum 52). b) final assessment: During the course of the semester students will work through biblical texts to be able to read and translate during class (26-30 points), will take weekly quizzes (20-30 points), and will prepare a selected Hebrew text to be read before the class at the end of the semester (26-40 points). Students must earn a minimum of 94 points to receive a grade of A, 87 points for a grade of B, 80 points for a grade of C, 73 points for a grade of D, and 65 points for a grade of E.	
Learning objectives: Course aims: By the end of the course students should: <ol style="list-style-type: none"> 1. Use advanced knowledge of Hebrew, the Biblia Hebraica Stuttgartensia with its critical apparatus and Masorah parva), and software for analysis of the Hebrew text (Logos, BibleWorks, etc.). 2. Read biblical texts fluidly and with understanding when prepared in advance. 3. Use passive knowledge of classical Hebrew vocabulary down to 40 occurrences in the Masoretic Text. 4. Have the ability to parse on sight any Hebrew verb down to 40 occurrences in the Masoretic Text. 	
Brief outline of the course: Brief outline of the course: The layout, text and notes of the Biblia Hebraica Stuttgartensia including the critical apparatus and the Masorah parva. Textual criticism using the apparatus. Reading the biblical text according to Masoretic cantillation. Reading for understanding with attention given to vocabulary, verb parsing, grammar and syntax. In poetic texts read for appreciation of Hebrew parallelism, alliteration, assonance, etc.

Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 2d-EET-612	Course name: Exegesis of New Testament - Eschatology
Type, extent and method of instruction: Form of instruction: Lecture / Seminar Course type: B (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: 13 / 13 Method of study: combined	
Number of credits: 4	
Recommended semester/trimester: 2., 4.	
Level: II.	
Prerequisites:	
Course completion conditions: a) continuous assessment: Continuous assessment: Active participation in translation of Greek biblical texts – 30 p. (min. 20 p.). b) final assessment: Final assessment: Test in the scope of the subject syllabus 70 p. (min. 45 p.). During the semester, the student actively participates in the translation of selected New Testament texts (30–20 p.) and after the semester the student takes a written test (70–45 p.). Final assessment: A – 100–94% (Excellent), B – 93–87% (Very Good), C – 86–80% (Good), D – 79–73% (Satisfactory), E – 72–65% (Passing).	
Learning objectives: Educational outcomes (performance standard): <ol style="list-style-type: none"> 1. The student knows the New Testament texts directly related to the last things of the man and the world. 2. The student can translate Greek and antique texts correctly. 3. The student can analyse their meaning using comparative thinking methods. 4. The student can perform exegesis using profane antic materials as well. 	
Brief outline of the course: Brief outline of the course (contents standard): <ol style="list-style-type: none"> 1. Selected extracts from the Gospel related to death and eschatological hope. 2. Translations of antique NT texts directly related to the last things of the man and the world. 3. Eschatology in Jesus' teaching and the roots of the New Testament soteriology. 4. The concept of death in Jesus' teachings (in the canonical gospels). 5. Semantic contexts: two broader groups of texts concerning the predictions of the suffering of the disciples and the suffering and death of Jesus himself (also the predictions of suffering and betrayal). 6. Predictions of suffering and death: 1st prediction: Matthew 16: 21-23, Mark 8: 31-33 and Luke 9:22 without the term death and John 11:13 with the term “death” 7. 2st prediction: Matthew 17: 21-23, Mark 9: 31-33 and Luke 9:43b-45 without the term “death” and John 12:33 with the term “death” 8. 3th prediction: Matthew 20:18 and Mark 10:33 with the term death and John 18:32 (fulfilment of Jesus' words about his own death).

Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 2d-HOM-612	Course name: Homiletics - Practical Exegesis
Type, extent and method of instruction: Form of instruction: Lecture / Seminar Course type: B (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: 13 / 13 Method of study: combined	
Number of credits: 4	
Recommended semester/trimester: 2., 4.	
Level: II.	
Prerequisites:	
Course completion conditions: a) continuous assessment: Continuous assessment: Completion of a practical exegesis of a selected biblical text - based on the theoretical basis of the discipline 50 p. (minimum 30 p.). Active participation in seminars - 50 p. (min. 35 p.). b) final assessment: Final assessment: Based on continuous assessment. A sum of points awarded for the individual assessment components. The student is active during the semester in seminars (50–30 po.) and during the semester prepares a practical exegesis of the selected text (50–35 p.). Final assessment: A – 100–94% (Excellent), B – 93–87% (Very Good), C – 86–80% (Good), D – 79–73% (Satisfactory), E – 72–65% (Passing). Credits are not awarded unless the student meets the minimum requirements in each component of the assessment.	
Learning objectives: Educational outcomes (performance standard): 1. The student has acquired information about the methodology and goals of practical exegesis. 2. Applies theoretical knowledge in a hermeneutic approach to the biblical text and related exegetical works. 3. The students creates their own project of practical exegesis of a selected biblical text.	
Brief outline of the course: Brief outline of the course (contents standard): 1. Division of work. 2. Practical exegetic tasks. 3. The methodology of practical exegesis. 4. Collective work. 5. Presentation of students' projects.	
Recommended literature: Recommended literature: 1. Masarik, A. (2006). Funkčná kristocentricita v evanjelikálnom zvestovaní. Principiálne východiská evanjelikálnej teológie. ZEC, 58–66. ISBN: 80-88945-91-7. 2. Michalko, J. (1977). Praktická exegéza. Tranoscius.	

3. Min. 5 scientific and homiletic commentaries based on selected biblical texts.

Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 2d-HBK-611	Course name: Homiletics 1 - Preaching for Worship Services and Special Events
Type, extent and method of instruction: Form of instruction: Lecture / Seminar Course type: A (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: 13 / 26 Method of study: combined	
Number of credits: 4	
Recommended semester/trimester: 1.	
Level: II.	
Prerequisites:	
Course completion conditions: a) continuous assessment: Continuous assessment: Preparing a sermon on a chosen biblical text based on the Robinson's and Vrabec's models. Preparation of funeral sermon for a specific situation. Preparation of a wedding sermon. Delivering of one standard and one occasional sermon. 50 p. (min. 30 p.). The final version of the sermons after incorporating critical suggestions from the homiletics seminar. 50 p. (min. 35 p.). Final assessment: Based on continuous assessment. A sum of points awarded for the individual assessment components. b) final assessment: During the semester, the student creates two worship sermons: explanatory (Robinson's model) and thematic, and two casuistry sermons – wedding and funeral. At the seminar, the student delivers one standard and one casuistry sermon (30–50 p.). At the end of the semester, the student electronically submits the final texts of the sermons, taking into account the suggestions from the homiletics seminar (50-35 p.). Final assessment: A – 100–94% (Excellent), B – 93–87% (Very Good), C – 86–80% (Good), D – 79–73% (Satisfactory), E – 72–65% (Passing). Credits are not awarded unless the student meets the minimum requirements in each component of the assessment.	
Learning objectives: Educational outcomes (performance standard): 1. The student has mastered possible approaches to the homiletic use of the biblical text in relation to the homiletic environment, both in standard and casual sermon. 2. The student is able to follow the results of the exegesis of the biblical text in terms of homiletics and interpret them logically, factually and correctly. 3. The student applies theoretical knowledge in empirical model situations of pastoral service. 4. The student can evaluate the feasibility of homiletic goals and the adequacy of formulations for the target environment. 5. The student creates a model project and writes two worship sermons and two casuistry speeches.	
Brief outline of the course: Brief outline of the course (contents standard):	

1. Wok assignment.
2. Standard sermons: Choosing of Biblical text. Phases of the homiletic process: Exegesis. Homiletic meditation and consideration of the homiletic environment. Designing sermons according to Robinson's model. Designing sermons according to Vrabec's model.
3. Funeral sermons: Church funeral and its goals. Case stimuli collection. Text selection. Psychological components of a funeral sermon. The reality of pain and the desire for hope. Spiritual components of funeral sermon. Negative phenomena: "evil" playing down of death. Practice – min. one civil and one church funeral.
4. Wedding sermons: Homiletic specifics of Christian marriage. Practice – min. one civil and one church wedding.
5. Listening and analysis of students' own work – standard sermons – funeral sermons – wedding sermons.

Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 2d-DIP-611	Course name: Master Thesis Defence (State Exam)
Type, extent and method of instruction: Form of instruction: Course type: A (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: Method of study: combined	
Number of credits: 20	
Recommended semester/trimester:	
Level: II.	
Prerequisites:	
Course completion conditions: a) continuous assessment: – b) final assessment: Final assessment: State exam consists of two parts: · Diploma thesis defence. Master thesis supervisor and reviewer will prepare a thesis report and propose an evaluation. The State Examination Commission provides a complex evaluation of the DT's quality based on the reviews and student's thesis defence. · The theoretical part of the state exam in evangelical theology takes the form of a colloquium, the questions are formulated in the form of a broadly conceived problem related to the diploma thesis. Its solution requires the student to master the subject matter addressed in the state exam topics. The conditions for obtaining grades A to E take into account both parts of the state examination. They are specified in the state examination topics.	
Learning objectives: Educational outcomes (performance standard): By passing the state exam and defending their diploma thesis, the student: <ol style="list-style-type: none"> 1 proves that <ol style="list-style-type: none"> a. have advanced knowledge of the subject matter addressed in the diploma thesis and the broader context of evangelical theology b. they can follow the bibliographic and citation standards . 2 The student <ol style="list-style-type: none"> c. understands the context of the problem, formulate clear conclusions from the thesis and recommendations for practice d. understands how the disciplines they studied at university are linked 3 The student uses <ol style="list-style-type: none"> e. relevant scientific sources and identifies important ideas for the context of the thesis f. their theoretical knowledge of the subject matter and practically applies evangelical theology to the church practice and methodology of its research g. broader ecumenical and interdisciplinary contexts to explain the subject matter 4 The student can 	

<p>h. analyse the subject matter and arrange it into logically and systematically separated and interconnected structural parts of the thesis</p> <p>i. design and verify theological programmes applied to the subject matter addressed in their thesis, design and implement research, and interpret its results</p> <p>j. use theological theory critically and apply it to the church practice, synthesize contextual knowledge, and use it in specialised communication, i.e. argumentation and defence of their opinion on the subject matter</p> <p>5 The student can create</p> <p>k. consistent specialised text dealing with theology (of theoretical and research nature), creatively process relevant specialised sources as well as come up with their own original ideas and ways of addressing the subject matter.</p>

Brief outline of the course:

Brief outline of the course (contents standard):

1. Expert knowledge of the diploma thesis (DT) topic, its international, social, broader church and ecumenical contexts.
2. Homiletic and pastoral transformation of the selected theoretical knowledge of evangelical theology.
3. Suitable research methodology. Integrated knowledge of the disciplines studied. Broader knowledge of evangelical theology and its theory in accordance with the state examination topics. An integration of theological theory and church practice to address the DT subject matter.
4. Specialised communication and argumentation.
5. Working with references, bibliographic and citation standards.

Course Description

University: Matej Bel University in Banská Bystrica	
Faculty: Faculty of Education	
Code: 2d-vdsl-02	Course name: The Great Works in World Literature II
Type, extent and method of instruction: Form of instruction: Lecture Course type: C (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: 26 Method of study: combined	
Number of credits: 3	
Recommended semester/trimester: 2., 4.	
Level: II.	
Prerequisites:	
Course completion conditions: The student prepares an essay in which he/she takes a position on the issue discussed. The final assessment is passed/failed.	
Learning objectives: 1. The student will obtain an adequate overview of the origin and functioning of selected representative literary works from several civilizational and cultural areas from medieval literature to contemporary literature; will improve in professional terminology. 2. The student will acquire the specific interpretation skills necessary when working with a literary text anchored in a radically different cultural environment, thereby strengthening tolerance towards cultural differences and the will to respect the right to be different. 3. The student is able to conduct research on the assigned topic, can identify reliable sources, select relevant information from them and present it to others in a clear and useful form. 4. The student will acquire an organized sum of knowledge and a more widely applicable set of useful habits, methods, approaches, competences applicable in the interpretation of literary and non-literary texts or other cultural phenomena from various cultural periods.	
Brief outline of the course: Some of the greatest works of the European literature from the Middle Ages to the present day will be presented. It will be a selective selection of the presentation of literary worlds and the values they created. The Divine Comedy as the main work of the Middle Ages or the Renaissance? The Middle Ages as the "cradle" of European culture and education. Testaments enfant terrible. The spiciness of the Decameron and Laura's ephemerality. From Shakespeare to French classical drama. Playwrights and their (non)dramatic characters. Fairy tales that changed the world. Shock the bourgeois! Avant-gardes in world art. Literature as a place for women. On Freedom, Being and Apricot Cocktails: Existentialism in World Literature. Crazy for Life: The Beat Generation and Their Followers. Great works in small publishers.
