	University: Mate	i Bel University in Ba	nská Bystrica
--	------------------	------------------------	---------------

Faculty: Faculty of Education

Code: 1d-fil-014 **Course name:** Analytical writing and reading

Type, extent and method of instruction:

Form of instruction: Lecture

Course type: B (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses)

Recommended number of periods: 26

Method of study: combined

Number of credits: 3

Recommended semester/trimester: 2., 4.

Level: I.

Prerequisites:

Course completion conditions:

The maximum number of points covering continual and final assessment is 100. Credits are assigned to students who acquire a minimum of 65 points out of a possible 100.

a) continuous assessment:

continuous specialized tasks (0 - 40 points)

b) final assessment:

final assessment:

writing a final academic essay (0 - 60 points)

Learning objectives:

Students will be able:

1. To understand the specifics of an academic text with emphasis on the critical and analytical aspects.

- 2. To use basic strategies and techniques of critical reading and writing.
- 3. Knowledge of preparing, planning and writing academic texts.
- 4. To fulfil academic homework connected to academic reading and writing.

Brief outline of the course:

1. Author and reader – the teacher as reader, the student as author.

2. Logic and argumentation in writing and reading – consistency, contradiction, contrary and contradictory statements, the expressive strength of propositions.

3. Essay structure – basic features of structure.

4. Writing – how to select an essay topic, techniques for composing, outlining, succesive elaboration, conceptual note taking, research and composing, polishing the text.

5. Tactics for analytic writing and reading – definitions, distinctions, analysis, dilemmas, counterexamples, Reductio ad Absurdum.

6. Some constraints on content – the pursuit of truth, the use of authority, the burden of proof.

University: Matej Bel University in Banská Bystrica

Faculty: Faculty of Education

Code: 2d-uVZSP Course name: General Foundations of Private Law

Type, extent and method of instruction:

Form of instruction: Lecture

Course type: C (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses)

Recommended number of periods: 26

Method of study: combined

Number of credits: 3

Recommended semester/trimester: 2., 4.

Level: II.

Prerequisites:

Course completion conditions:

The prerequisite for passing the course is attendance at a minimum of 90% of the teaching and active participation of students in class. The evaluation is in accordance with the classification scale according to the Study Regulations of Matej Bel University.

a) continuous assessment:

Continuous evaluation is not performed.

b) final assessment:

The basis for the award of the final grade is the demonstration of mastery of the knowledge of the lecture material, which is demonstrated in an active dialogue with the teacher in the teaching of the subject.

Learning objectives:

The graduate will be able to distinguish private law from public law, will be oriented in the basic principles of private law, which in the European continental legal system traditionally includes civil law, commercial law, family law and international private law. The graduate will have knowledge of the basic institutions of private law (both substantive and procedural), their current legal regulation and use in practice.

University: Matej Bel University in Banská Bystrica

Faculty: Faculty of Education

Code: 2d-vdsl-02 **Course name:** The Great Works in World Literature II

Type, extent and method of instruction:

Form of instruction: Lecture

Course type: C (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses)

Recommended number of periods: 26

Method of study: combined

Number of credits: 3

Recommended semester/trimester: 2., 4.

Level: II.

Prerequisites:

Course completion conditions:

The student prepares an essay in which he/she takes a position on the issue discussed. The final assessment is passed/failed.

Learning objectives:

1. The student will obtain an adequate overview of the origin and functioning of selected representative literary works from several civilizational and cultural areas from medieval literature to contemporary literature; will improve in professional terminology.

2. The student will acquire the specific interpretation skills necessary when working with a literary text anchored in a radically different cultural environment, thereby strengthening tolerance towards cultural differences and the will to respect the right to be different.

3. The student is able to conduct research on the assigned topic, can identify reliable sources, select relevant information from them and present it to others in a clear and useful form.

4. The student will acquire an organized sum of knowledge and a more widely applicable set of useful habits, methods, approaches, competences applicable in the interpretation of literary and non-literary texts or other cultural phenomena from various cultural periods.

Brief outline of the course:

Some of the greatest works of the European literature from the Middle Ages to the present day will be presented. It will be a selective selection of the presentation of literary worlds and the values they created.

The Divine Comedy as the main work of the Middle Ages or the Renaissance? The Middle Ages as the "cradle" of European culture and education. Testaments enfant terrible. The spiciness of the Decameron and Laura's ephemerality. From Shakespeare to French classical drama. Playwrights and their (non)dramatic characters. Fairy tales that changed the world. Shock the bourgeois! Avant-gardes in world art. Literature as a place for women. On Freedom, Being and Apricot Cocktails: Existentialism in World Literature. Crazy for Life: The Beat Generation and Their Followers. Great works in small publishers.

Faculty: Faculty of Education

Code: 1d-tpzp-101 **Course name:** Thesis Creation and Presentation

Type, extent and method of instruction:

Form of instruction: Lecture / Seminar

Course type: B (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses)

Recommended number of periods: 13 / 13

Method of study: combined

Number of credits: 3

Recommended semester/trimester: 1., 3., 5.

Level: I.

Prerequisites:

Course completion conditions:

a) continuous assessment: seminar paper preparation 30%

b) final assessment: written/oral exam 70%

Learning objectives:

The student

- 1. is able to create an academic text and thesis on their own
- 2. can follow the bibliographical guidelines and norms
- 3. follows the basic principles of research presentation
- 4. understand citing ethics and technique

5. can efficiently communicate and present their own knowledge and skills in speaking and writing

Brief outline of the course:

Text, text types, factual texts, written text. Contents, topics, language, and composition of specialised text. University final and qualification theses – academic writing. Bibliography and bibliographic norms. Primary sources – printed and digital/electronic. Quotation, citation, bibliographic reference. Copyright, author and academic ethics. Abstract – How to solve a problem? How the problem was solved? What are the specific results? How is it useful? Presentation – basic principles for slide composition.
