Type, extent and method of instruction: Form of instruction: Lecture / Seminar Course type: A (A - Compulsory courses, B - Compulsory elective courses, C - Elective courses) Recommended number of periods: 26 / 26 Method of study: combined	
Number of credits: 5	
Recommended semester/trimester: 5.	
Level: I.	
Prerequisites:	
Course completion conditions: a) Continuous assessment: interpretative outputs during the semester on the subject of Slovak post-war prose and poetry – 40 points, minimum number of points required for the exam is 24 points. b) Final assessment: oral exam consisting of 2 questions (2 x 30 points) on the theoretical and interpretative parts. The maximum total number of points that can be obtained for continuous and final assessment is 100. Credits will be awarded to students who have obtained at least 65 out of 100 points for fulfilling the specified conditions.	
Learning objectives: Student is acknowledged with the history of literature after 1945 (2nd half of the 20th century). They perceive it as a result of synchronous influence of internal evolutionary rules and external historically-social factors. They are able to identify individual poetological models of prose and poetry and to apply acquired theoretical knowledge. They are able to interpret texts and to evaluate author's poetics and assess aesthetic value of a work. They are able to analyse interdisciplinary approaches in literature and to assess aesthetic values of a work. They understand problematic aspects of national literature and to assess it in wider cultural, political, social and historical contexts.	
Brief outline of the course: Evolution of literature after 1945 and its causes, relations between political and literary history. Literature in the 2nd half of the 20th century. WWII and Slovak National Uprising in literature. Model of social realism (noetics and poetics) and its functions (first half of 1950s). Prose of the Slovak National Uprising - definition, methodological aspects of the research, paradigmatic model types, representatives (V. Mináč, F. Hečko, D. Tatarka, A. Bednár, R. Jašík, L. Mňačko, L. Ťažký). Prose of the Slovak National Uprising and political power: work metamorphoses of D. Tatarka, P. Karvaš, L. Mňačko and V. Mináč. Literature in the 2nd half of the 1950s - Mladá tvorba (artistic differences in literature, axiological, ethical and thematic innovations), prosaic and poetic works (M. Rúfus, M. Válek, V. Turčány, A. Hykisch, J. Johanides, A. Chudoba etc.). Liberalization of literature in the 1960s (influence of foreign philosophical and poetological concepts): "konkretizmus" (Ľ. Feldek, J. Stacho, J. Mihalkovič, J. Ondruš), "Osamelí bežci" (I.	

Štrpka, P. Repka, I. Laučík), experimental prose (experiments of R. Sloboda, P. Vilikovsky, D. Kužel, P. Jaroš, P. Hruža, V. Šikula, L. Ballek). Political normalization and its impact on the literature of the 1970s and 1980s - generational structure, genre variations and aesthetic characteristics. Samizdat.

Level: I.	
Prerequisites:	
Course completion conditions: At the beginning of the semester, the student gets acquainted with the study regulations and maps the needs of students over whom he has taken over the tutoring. After consultations with the department's study advisor, he/she will prepare a plan of creative activities in order to increase students' awareness. During the semester, he implements information activities, which he/she evaluates at the end of the semester in the form of a report and self-reflection. a) continuous assessment: Analysis and evaluation of suggestions/needs/problems: 0 - 20 points, preparation of activities: 0 - 25 points, implementation of activities: 0 - 25 points, total: 0 - 70 points. b) final assessment: Preparation of the final self-evaluation report on the implemented activities and their results with relevant annexes (plan of activities, promotion, list of participants, photo documentation) and recommendations 0-30 points. The evaluation is performed according to the classification scale: A (100 - 94%), B (93 - 87%), C (86 - 80%), D (79 - 73%), E (72 - 65%). Credits will be awarded to a student who has obtained at least 65 out of 100 points.	
Learning objectives: Student: 1. is able to identify the needs and problems of the students; 2. is able to communicate appropriately in the student community; 3. is able to independently organize consulting activities; 4. applies knowledge of the academic environment in counseling; 5. creates a communication platform on the social network and uses it effectively; 6. is able to evaluate student stimuli; 7. is able to assess appropriate forms of promotion of its activities; 8. is able to evaluate the benefits of their creative activities and present their results.	
Brief outline of the course: The tutor cooperates with the departmental coordinators of ECTS in the study counseling and informing of students in study matters arising from the study regulations and valid legislation.	

As part of the self-study, they will get acquainted with the study regulations. In cooperation with the study advisor, he/she provides students with advice on the selection of subjects and the compilation of the study plan in AiS2. He/she shares with students his/her experience with the selection and provision of study literature, preparation for exams, with the possibility of individual study, obtaining scholarships or participating in the activities of student organizations. The tutor maps, analyzes and evaluates the needs of students (e.g. in the form of an online questionnaire). In cooperation with the department's study advisor or with other tutors he/she prepares presentations and discussions, which he/she effectively promotes. The tutor informs students about important dates in the study schedule. He/she collects suggestions from students, evaluates them and communicates study problems with responsible staff. Suitable platforms on social networks are used for communication.
